

# About The Kidz Club

The Kidz Club is a Prescribed Pediatric Extended Care (PPEC). We are a non-residential nursing care facility for children with moderate to complex medical needs. For over 20 years, families and physicians have trusted The Kidz Club to provide the safest, most cost effective and highest quality nursing care in a fun, stimulating environment for children from 6 weeks through 20 years of age.

## Our Team Includes:

- Registered Nurses
- Licensed Practical Nurses
- State Registered Nursing Assistants
- Caregivers
- Teachers

## Referrals

Children who have an ongoing medical condition that requires nursing services may be eligible to attend The Kidz Club. Anyone can make a referral from our website or by phone. If you know a child that can benefit from our services contact us today!

## Enrollment Is Easy!

After an initial assessment, we coordinate with you and your child's physician to determine a Plan of Treatment that will help insure a positive outcome in your child's care.

Helping Children  
For 20 Years

The Kidz Club has joined with Lampert's Therapy Group to provide Occupational, Physical, and Speech-Language therapy services to the Kidz at our center. This affiliation is more convenient for the family and results in superior outcomes due to the consistency of the therapy program.
