

SUMMER

at the The Kidz Club

Prescribed Pediatric Extended Care

A Prescribed Pediatric Extended Care (PPEC) center is a link in the continuum of care that provides daily skilled nursing care, enrichment activities, and therapy for children from birth to under 21 years old with medical complexities.

- Daily Nursing Care & Assessments
- Special Guests
- Arts & Crafts
- Outdoor & Water Activities
- Theme Days

You don't have to choose between a fun summer for your child and their nursing care, because

We let Kidz be kids!

To see if your child qualifies,
SUBMIT A REFERRAL TODAY!
Admission process can take up to two weeks.
